

# Automatic Transmission Fluid Type-A

**Naf Arab** Type A is a super quality automatic transmission fluid designed for automatic transmissions and power steering system of vehicles. The high quality base oil and additives package of this fluid provide highest thermal stability with rust and corrosion protection.

Naf Arab ATF Type A is recommended for automatic transmissions and power steering system of vehicles and also for certain manual transmission and hydraulic systems.

## BENEFITS

- ◆ Reduces deposit formation.
- ◆ Ensures high viscosity index.
- ◆ Provides smooth gear shifting.
- ◆ Provides highest thermal stability.
- ◆ Provides good protection against rust and corrosion.

## TYPICAL CHARACTERISTICS

| TEST DESCRIPTION            | METHOD      | TYPICAL RESULTS |
|-----------------------------|-------------|-----------------|
| <b>SAE VISCOSITY GRADE</b>  | -           | -               |
| Appearance                  | ASTM D 4176 | B & C           |
| Color                       | ASTM D 1500 | Red             |
| Density at 30°C gm/ml       | ASTM D 4052 | 0.844           |
| Kinematic Viscosity @ 40°C  | ASTM D 445  | 36.14           |
| Kinematic Viscosity @ 100°C | ASTM D 445  | 7.83            |
| Viscosity Index             | ASTM D 2270 | 151             |
| Flash Point °C              | ASTM D 92   | 212             |
| Pour Point °C               | ASTM D 97   | -24             |
